

Sigh...
Another one of
those days...

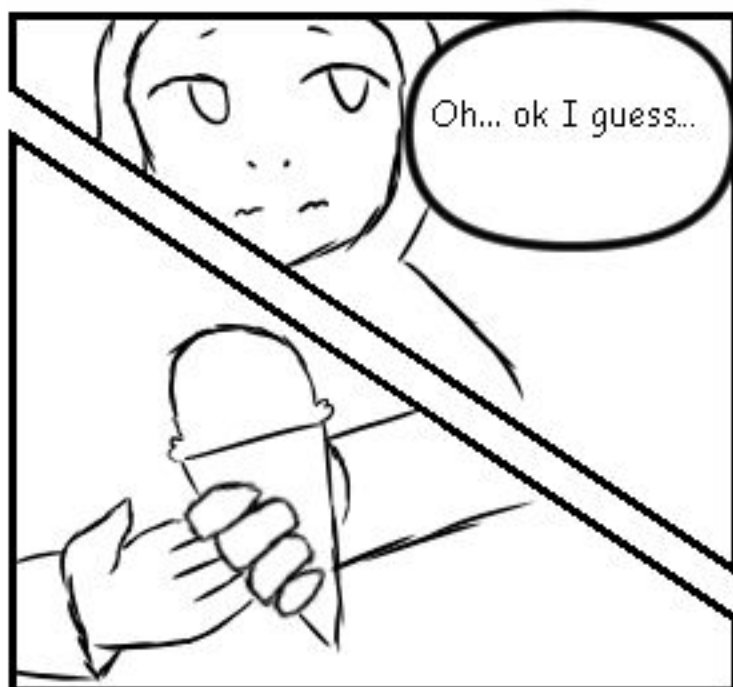

Hey, don't worry man,
you can have mine.

Really, are you sure?
I don't want to be a
nuisance or anything.

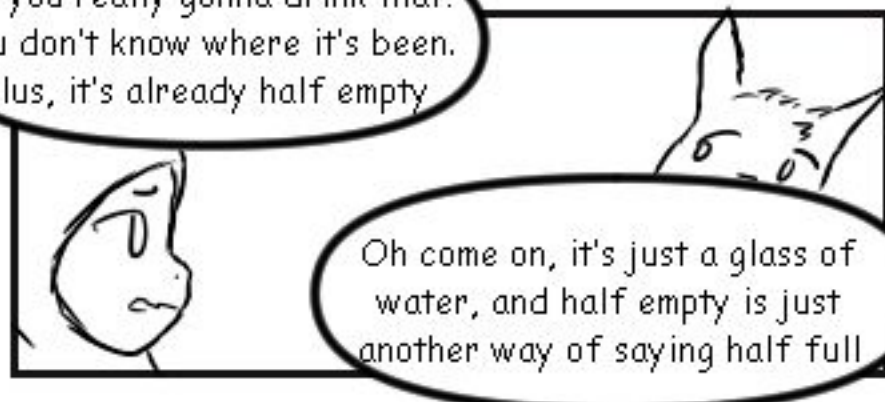

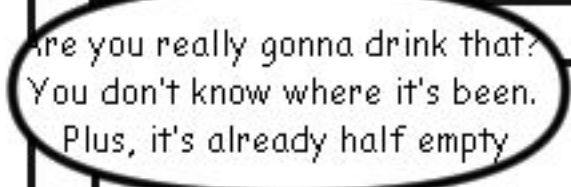

Sure! My digestive system
doesn't really get along
with dairy anyway.

Oh... ok I guess...

Wait why are we
getting ice cream
in the first place

See? nothing happened! I'm flattered that you care about me so much, though

Well.. yeah.. You're my friend, and I care about you a lot..

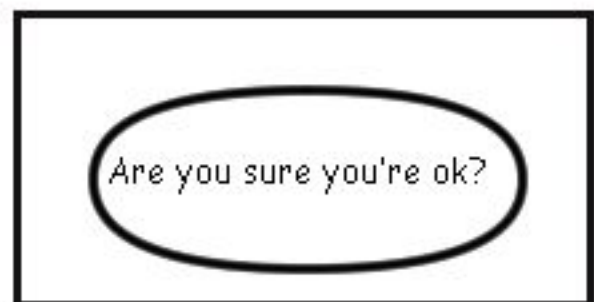

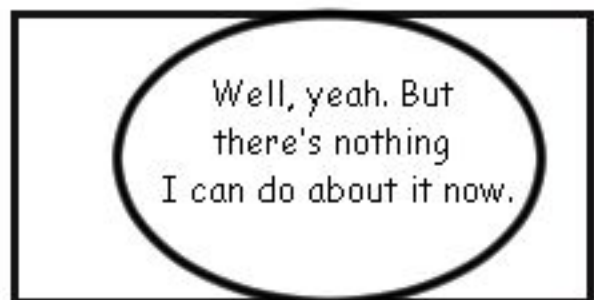

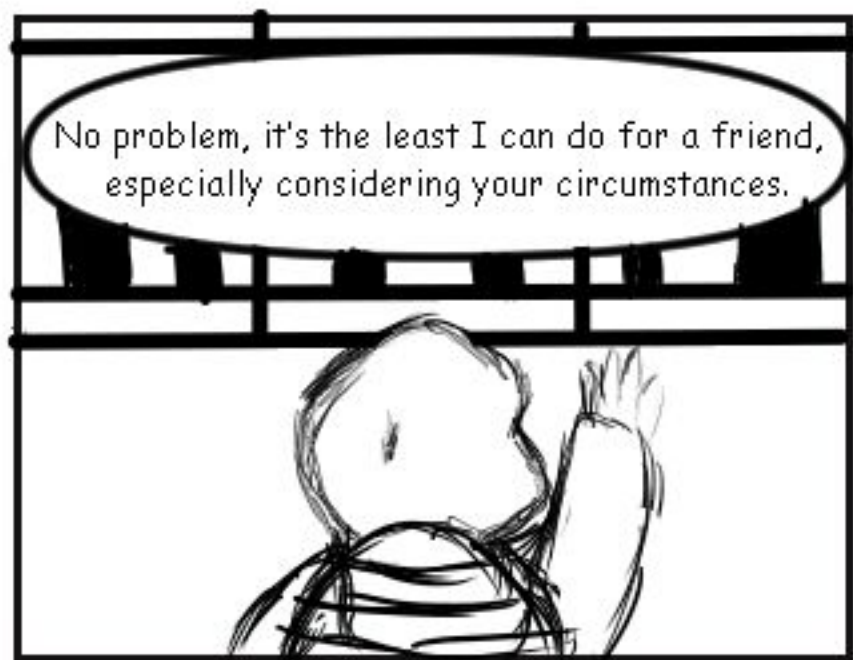

Haha come on, let's go kick some orphans!!

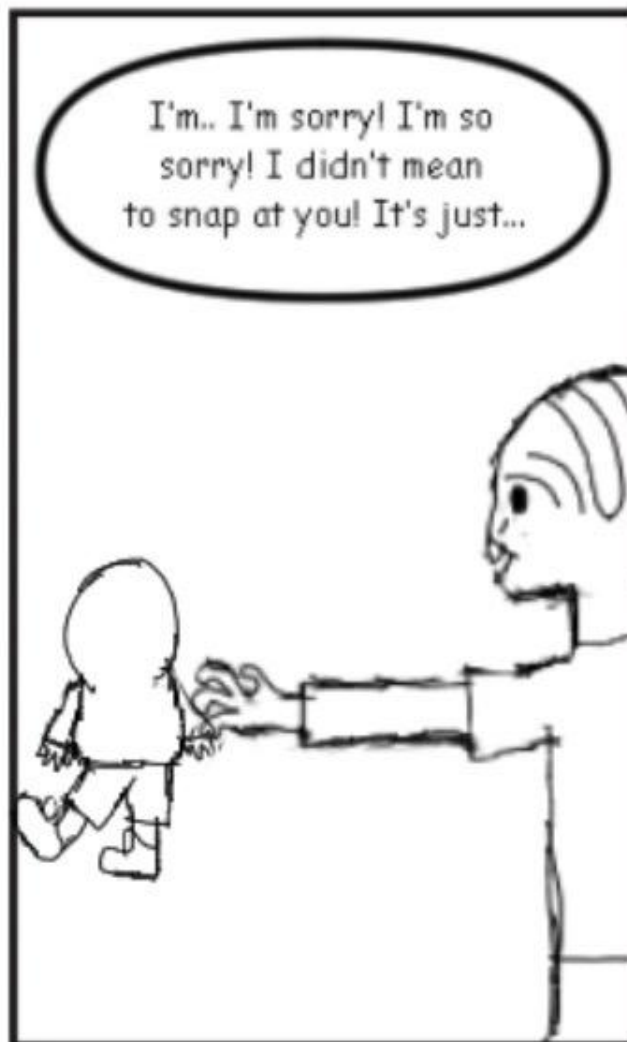

Pffft, hahaha! No! You can't do that!

I'm kidding! Come on!

I don't. I don't think that I ever could understand.

But, if it'll help...

Do you... wanna talk..?

About it, I mean...

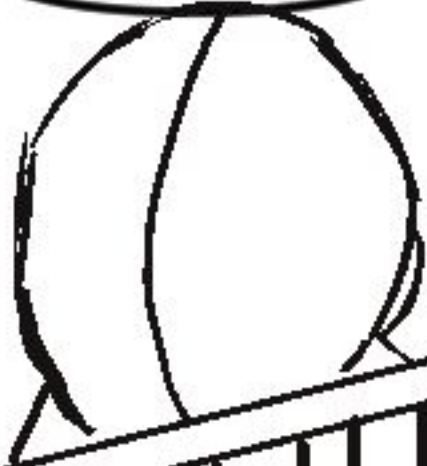

Yeah...

Talking sounds good.

It's just... it's been so hard to keep my head up with everything that's been going on. I just can't keep myself from crying

It's okay to cry, crying is normal and healthy. You just need to be able to bring yourself back together eventually...

How can you say that so easily?

How can you act like everything is going to be okay?

Honestly? I don't know if things are going to be okay. For all we know, everything we know, the world will die by the end of the year!

I just can't shake the feeling that this is it for me...

This is the end of everything I know, I'll be stuck here...

But dwelling on the past and stressing about the future will get us nowhere.

Look. I know that I'm not the cheeriest guy, but I can't stand to see you like this. You're the smartest, most amazing guy that I know.

I really don't care what's going to happen. I just know for a fact that you're going to get through this.

How are you so sure?

Again, I'm not.

But trying to be sure about every aspect of life... It's impossible.

The few things that I am certain about are the fact that you deserve better than this, and that you're going to get through this no matter how hard things get.

If it means that it'll help, I'll support you every step along the way...

Even when you aren't sure how to continue on, you have to keep going. You have to find the joys in life no matter how miserable you may feel.
